PRODUCTS

TUBES & PIPES seamless & welded

Dimensions: from 1/4" to 84" and above on request

Wall thickness: all standardised and non-standardised values

Materials: Carbon, Stainless, Duplex, Super-Duplex, Alloy and Super-Alloy steel grades

VALVES

Type: Gate, Globe, Check, Ball, Butterfly Valves - Strainers, Filters, Steam-Traps

Dimensions: from 1/4" to 64" and above on-request

Rates: all standardised and non-standardised values

Connections: flanged, wafer-flanged, socket-weld, butt-welded, threaded

Materials: Carbon, Stainless, Duplex, Super-Duplex, Alloy and Super-Alloy steel grades

FORGED FITTINGS all classes

Type: Elbows, Couplings, Tees, Caps, Unions, Nipples, Swages, O-Lets etc.

Dimensions: from 1/4" to 4"

Rates: all standardised and non-standardised values

Materials: Carbon, Stainless, Duplex, Super-Duplex, Alloy and Super-Alloy steel grades

FLAT & LONG PRODUCTS

Type: Plate, Merchant Bars

Options: slotted machining, sandblasting and shop-priming solutions

Dimensions: all standardised and non-standardised values

Wall thickness: all standardised and non-standardised values

Materials: Carbon, Stainless, steel grades

CUSTOMIZED ITEMS

Taylor-made solutions, including special extruded items, forged pieces, sleeves, stub-ends, gaskets, stud-bolts, machine-bolts, special piping materials etc.

FLANGES

Type: Slip-on, Welding-Neck, Long Welding-Neck, Socket-Weld, Blind, Lap-Joint, Spectacle Blinds and Ring spacers

Dimensions: from 1/4" to 84" and above on-request

Rates: all standardised and non-standardised values

Materials: Carbon, Stainless, Duplex, Super-Duplex, Alloy and Super-Alloy steel grades
