MISSION

To deliver a comprehensive, high-quality service tailored to each client's specific needs.

I.M.S. ^{S.p.A.} **SERVICES**

I.M.S. S.p.A. is a recognised player in the Oil & Gas, LNG, Petrochemical, Chemical, Energy, Power and Shipbuilding Industry. Pipes, Tubes, Fittings, Flanges, Valves, Flat and Long Products and Customized Special Piping Solutions according to ASTM, ASME, EN and API standard - in all grades of Carbon, Stainless, Duplex, Super-Duplex, Alloy and Super-Alloy steel grades

Passion, innovation, flexibility, technical knowledge and attitude to propose itself not only as a Supplier but above all as Partner are and will always be the key factors to provide the highest quality and cost-effective Piping Package solution.

Supply of materials, but not only: I.M.S. S.p.A. is daily providing its Project Management skills to achieve Customer satisfaction and to jointly develop Worldwide EPC Projects, including a wide range of services like by means of example expediting and auditing activities, inspection tests, marking, packing and shipping.

VISION

To establish an efficient and sustainable supply chain model that enhances procurement, management and logistics.

I.M.S. *S.p.A.*

PRODUCTS

TUBES & PIPES seamless & welded

Dimensions: from 1/4" to 100" and above on request

Wall thickness: all standardised and non-standardised values

Materials: Carbon, Stainless, Duplex, Super-Duplex, Alloy and Super-Alloy steel grades

FORGED FITTINGS all classes

Type: Elbows, Couplings, Tees, Caps, Unions, Nipples, Swages, O-Lets etc.

Dimensions: from 1/4" to 4"

Rates: all standardised and non-standardised values

Materials: Carbon, Stainless, Duplex, Super-Duplex, Alloy and Super-Alloy steel grades

FLAT & LONG PRODUCTS

Type: Plate, Merchant Bars

Options: slotted machining, sandblasting and shop-priming solutions

Dimensions: all standardised and non-standardised values

Wall thickness: all standardised and non-standardised values

Materials: Carbon, Stainless, steel grades

FLANGES

Type: Slip-on, Welding-Neck, Long Welding-Neck, Socket-Weld, Blind, Lap-Joint, Spectacle Blinds and Ring spacers

Dimensions: from 1/4" to 100" and above on-request

Rates: all standardised and non-standardised values

Materials: Carbon, Stainless, Duplex, Super-Duplex, Alloy and Super-Alloy steel grades

VALVES

Type: Gate, Globe, Check, Ball, Butterfly Valves - Strainers, Filters, Steam-Traps

Dimensions: from 1/4" to 64" and above on-request
Rates: all standardised and non-standardised values

Connections: flanged, wafer-flanged, socket-weld, butt-welded, threaded

Materials: Carbon, Stainless, Duplex, Super-Duplex, Alloy and Super-Alloy steel grades

BW FITTINGS seamless & welded

Type: Elbows, Reductions, Tees, Reduction-Tees, Cross, Caps etc.

Dimensions: from 1/2" to 100" and above on-request

Wall thickness: all standardised and non-standardised values

Materials: Carbon, Stainless, Duplex, Super-Duplex, Alloy and Super-Alloy steel grades

CUSTOMIZED ITEMS

Taylor-made solutions, including special extruded items, forged pieces, sleeves, stub-ends, gaskets, stud-bolts, machine-bolts, special piping materials etc.
